ALL-COUNTY INFORMATION NOTICE I-71-80

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: SYSTEMS/PROGRAM REQUIREMENTS REPORT

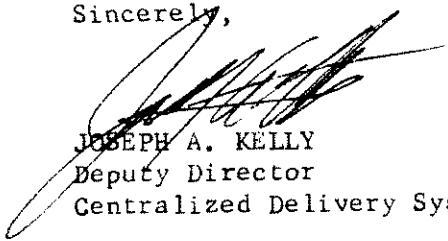

This letter is to notify you that the Systems/Program Requirements Report, consisting of 14 separate volumes has been shipped to your office. Due to the substantial size of this product, it has required special packaging and had to be shipped apart from this letter. This material, which should be in your county within a day or two, should be reviewed by your appropriate staff in preparation for the July 29, 30 or 31st walkthrough and workshops in Sacramento.

It is intended that the County Welfare Director will disburse the appropriate sections not only to his appropriate staff in his department but also to other county staff that will be impacted.

In addition to the material sent to the welfare director, SPAN is sending to the District Attorney, Family Support Division the material relating to IV-D. We are also sending the section on fiscal material directly to your County Auditor. Further disbursements to other county departments and county administrative staff should be at your discretion.

Questions regarding the workshop and this material should be addressed to Bob Whittaker, External Affairs Branch (916) 323-3466. We are looking forward to seeing you and your staff during the week of July 23 in Sacramento for the presentations and workshops at the Sacramento Convention Center.

Sincerely,

JOSEPH A. KELLY
